 Send a note in your child's homework folder!

How are we already half-way through January? It is hard to believe that we are almost finished with 2<sup>nd</sup> quarter!

Right now, we are working on middle of the year mCLASS reading level testing, learning about steps in a process, graphing data, and weather. We are also practicing being responsible classroom citizens through more individualized tasks during our Daily 5 literacy time and through a class pencil challenge! Ask your students about it 😊

Thanks for all that you do!

Ms. Nix
