Send a note in your child's homework folder!

Happy 2017!

I hope that you all had a great holiday break with your families! I am so excited to spend the rest of the school year with your students! Please continue to encourage them to work hard and try their best.

We are working a lot on being responsible students. They are all doing a GREAT job 😊 We are starting our weather unit in science that I'm sure the students will love. Please continue to support them in their reading fluency and adding and subtraction fluency!

Ms. Nix
