Send a note in your child's homework folder!

Can you believe that we are already half-way through the first quarter of our school year together?! Time flies when you're having fun! 😊

We had a great time celebrating our September birthdays last week! Thank you to the parents who helped our first celebration be a success!

I hope that you received your child's interim report that was sent home last Friday and that you have had time to look over it and identify the areas where your child has room to grow. Please keep in mind that this is just a check-in for you to see where your child is currently with the material they are learning. No reason to panic, but please contact me if you have any questions or concerns!

We are getting excited for our first fieldtrip to the Wetlands center coming up in a few weeks. Please be sure to send in field trip money and forms so that all of our students can enjoy this trip!

Thanks for all you do!  
Ms. Nix
